Re: Free Breakfast & Free Lunch Pick-up

Dear Parents and Guardians,

Recently, several changes have occurred to the National Free Breakfast / Lunch Program. Beginning on Monday, October 26th through the end of the school year, the Wyalusing Area School District is able to provide **Free Breakfast and Free Lunch to all children ages 0-18** that reside in the district. This program is now being extended to ALL Children, not just current students who attend school.

This program enhancement is available to children who are currently learning at home through our RVS platform, children who attend pre-school and daycare centers, and even includes children who may be too young for school. Every child qualifies (ages 0-18) as long as they live within the Wyalusing Area School District boundaries!

I encourage you to take full advantage of this opportunity. The Free Breakfast and Free Lunch program will provide 5 breakfast and 5 lunch meals for pick-up once per week. A total of 10 meals will be provided each Monday from 5:00 PM to 6:00 PM for your convenience. Please complete the brief form via this link to confirm your interest
