

WYALUSING AREA SCHOOL DISTRICT

Act 48 Credit Pre-Approval Form/Activity Completion Certificate

All certified employees of the Wyalusing Area School District must obtain some combination of either 180 clock hours of Continuing Professional Education or 6 College Credits in the five-year period beginning July 1, 2000. Individuals who obtain Professional Certificates after July 1, 2000, must complete these requirements within 5 years of receiving certification.

Certified employees *must obtain prior approval* from school administration for any Act 48 Activities. The Wyalusing Area School District will keep records of all Act 48 hours. It is, however, the final responsibility of the certified employee to maintain his/her own records to ensure continued certification.
